Gather up your loved ones, gather up your friends  
Â‘Cause this is when the bad guy, a bad guy wins.  
Gather up your loved ones, gather up your friends  
Â‘Cause this is when the bad guy, a bad guy wins.

Now there once was a man  
Who was tall and handsome  
The best shot in the wind  
Not to mention good at dancing  
A hit with the ladies  
A heart that drop with the daughters  
Cool with the guys  
Regular Roy Rogers  
He was a man of his word  
And he did what he said  
That is, until an... shot him dead

Na na na na na na na naÂ...

Now is whiskey in the water  
And blood in the creek  
The Â... has a glass and a scar in his cheek  
To tell Â...  
And the women are whores  
No houses around to put... from the doors  
He dreamt he was a king, safe in his bed  
As one know theÂ... shot him dead

Na na na na na na na naÂ...

(2 x)  
Gather up your loved ones,  
Gather up your friends  
Â‘Cause this is when the bad guy  
The bad guy wins.  
Pray to a church God forgives your sins  
Â‘Cause this is when the bad guy,  
The bad guy wins

Na na na na na na na naÂ...  
Shot him dead
