1, 2, 3!

And if I had something to say to you I'd whisper it softly
Kiss you on your rosy lips and never let you off me
Shiver on your roof and see your face lit by starlight
Hold you through the night and watch that Colorado
sunrise

I've got five fingers on each hand for every mistake
that I've made
Cuz my tongue is tied to tonsils and I need to shit and
shave
I'm a shade too pale for handsome and have habits I
can't shake
But if you try to take that from me well I'll never be the
same

Trainwreck that I am
And I am what I am what I am what I am
A trainwreck, that I am
And I am what I am what I am what I am
A trainwreck

And as long as it's okay with you I think I'll stay right
here
I got-got-got no where to go cuz where to go is up to
you, dear
Happy as a clam I see the glimmer in your eyes
Hold you through the night and watch that Colorado
sunrise

No car and never cared because I got no place to go
But in a room, (a single wall?) I couldn't pay a plant to
grow
You can try and make this pretty, pick up all my dirty
clothes
And if you never really get me then I guess you'll never
know the

Trainwreck that I am
And I am what I am what I am what I am
A trainwreck that I am

And I am what I am what I am what I am
A trainwreck

I've got five fingers on each hand for every mistake
that I've made
Plus my tongue is tied to tonsils and I need to shit and
shave
I'm a shade too pale for handsome and have habits I
can't shake
But if you try to take that from me well I wouldn't be the
same

Trainwreck that I am
And I am what I am what I am what I am
(Colorado sunrise)
A trainwreck that I am
And I am what I am what I am what I am
(Colorado sunrise)
Trainwreck that I am
(If I had something to say to you I'd whisper it softly)
And I am what I am what I am what I am
(Kiss you on your rosy lips and never let you off me)
A trainwreck that I am
(Shiver on your roof see your face lit by starlight)
And I am what I am what I am what I am
(Hold you through the night and watch that colorado
sunrise)
A trainwreck.
