Hey mister bartender mix me a drink  
I really need something to tell me it's okay not to think  
Because I've been to all these bars and I've seen all  
these places  
I've hit on all these girls I've heard the same  
conversations

Cab driver cab driver take me away cause I already  
know all the words that she say  
And I'll be creeping out the window at the first sight of  
day  
Cause every single night it seems to go the same way

I think I've been here before  
I think I've run into you  
I know the things that you do  
Cause this is Deja Vu  
Whoa Whoa  
This is Deja Vu  
Whoa Whoa  
This is Deja Vu

I think I've been here before  
I think I've run into you  
I know the things that you do  
Cause this is Deja Vu  
Whoa Whoa  
This is Deja Vu  
Whoa Whoa  
This is Deja Vu

Mister bartender you will kick me out  
And the blond girl in the back you'll put your tongue  
down my mouth  
And the greaser in the jacket gonna pick a fight  
And they'll probably kick my ass cause  
I'm drunk every night

Officer officer tell me the truth  
How many times can I get in trouble with you  
Before they lock me up for all the bad things that I do  
But you don't and that's why this feels that Deja Ow! Vu

I think I've been here before  
I think I've run into you  
I know the things that you do  
Cause this is Deja Vu  
Whoa Whoa  
This is Deja Vu  
Whoa Whoa  
This is Deja Vu

I think I've been here before  
I think I've run into you  
I know the things that you do  
Cause this is Deja Vu  
Whoa Whoa  
This is Deja Vu  
Whoa Whoa  
This is Deja Vu

I did it like this  
I did it like that  
And it always comes back around  
And I don't know how to break this pattern down

I did it like this  
I did it like that  
And it always comes back some how  
And I don't know how to break this pattern down

I think I've been here before  
I think I've run into you  
I know the things that you do  
Cause this is Deja Vu  
Whoa Whoa  
This is Deja Vu  
Whoa Whoa  
This is Deja Vu

I think I've been here before  
I think I've run into you  
I know the things that you do  
Cause this is Deja Vu  
Whoa Whoa  
This is Deja Vu  
Whoa Whoa  
This is Deja Vu
