[3OH!3]

My first kiss went a little like this
And twist
And twist

[Ke\$ha]

Well my first kiss went a little like this
And twist
And twist

[Verse]

I said no more teachers
And no more books
I got a kiss under the bleachers
Hoping that nobody looks
Lips like liquorish
Tongue like candy
Excuse me miss but can I get you out your panties?

[Hook]

In the back of the car
On the way to the bar
I got you on my lips
[I got you on my lips]
At the foot of the stairs
With my fingers in your hair
Baby, this is it...

[Chorus] x2

She won't ever get enough
Once she gets a little touch
If I had it my way,
You know that I'd make her say
Ooooooh
Ooooooh

[Verse]

Well my first kiss went a little like this
I said no more sailors
And no more soldiers
With your name in a heart
Tattooed up on the shoulders

Your kiss is like whiskey
It gets me drunk
And I wake up in the morning with the taste of your
tongue

[Hook]
In the back of the car
On the way to the bar
I got you on my lips
[I got you on my lips]
At the foot of the stairs
With my fingers in your hair
Baby, this is it

[Chorus] x2
She won't ever get enough
Once she gets a little touch
If I had it my way,
You know that I'd make her say
Ooooooh
Ooooooh

[3OH!3]
My first went a little like this
And twist
And twist

[Ke\$ha]
Well My first kiss went a little like this
And twist
And twist

[Chorus] (Spoken)
She won't ever get enough
Once she gets a little touch
If I had it my way
You know that I'd make her say
Ooooooh
Ooooooh

[Chorus] x2
She won't ever get enough
Once she gets a little touch
If I had it my way,
You know that I'd make her say
Ooooooh
Ooooooh

She won't ever get enough
Once she gets a little touch
If I had it my way,

You know that Iâ'd make her say
