get up mother fucker get these suckas' on fire  
we got the lighters and we about to light up  
get up mother fucker get these suckas' on fire  
we got the lighters and we about to light up

we dont share so take that princess  
we dont share so take that princess  
we dont share so take that princess  
you best know that you fuckin' with the best

we dont share so take that princess (what)  
we dont share so take that princess (what)  
we dont share so take that princess (what)  
you best know that you fuckin' with the best (what)

high tops, my drops of glee  
so greasy in my tight white jeans  
these cops cant stop the feat  
ridin' dirty in my long white tee  
i know this cause' DaVinci told me  
the Holy Grail's in the 3oh3  
poppin' painkillers and sippin whiskey  
with ya girl gettin mad friskey

we dont share so take that princess  
we dont share so take that princess  
we dotn share so take that princess  
you best know that you fuckin' with the best

we dont share so take that princess (what)  
we dont share so take that princess (what)  
we dotn share so take that princess (what)  
you best know that you fuckin' with the best (what)

i got the ojos of an eagle amigo  
i got the ojos of an eagle amigo  
i got the ojos of an eagle amigo  
i got the ojos of an eagle amigo
