

## 3OH!3 "Photofinnish"

Visit "[Photofinnish](#)" on [MotoLyrics.com](#)

Oh, I see yep, yep photofinnish  
When they see them glimmerin' they buy 'em  
Oh, I see yep, yep photofinnish  
Getting women like we hire 'em

Oh, I see yep, yep photofinnish  
When they see them glimmerin' they buy 'em  
Oh, I see yep, yep photofinnish  
Getting women like we hire 'em

Yeah, yeah, photofinnish  
You know we always finish first place  
And that's why we're rappin' in the first place  
First page and we at the finish line  
Yeah, yeah photofinnish  
Signing on the dotted line, c'mon

You always hedging on a safe bet  
Walking a tight rope with a safety net  
Face it, it doesn't mean shit unless you take a whiff  
Shush baby shut your mouth  
'Cuz you're not part of this, this time

You always hedging on a safe bet  
Walking a tight rope with a safety net  
Face it, it doesn't mean shit unless you take a whiff  
Shush baby shut your mouth  
'Cuz you're not part of this, this time

Oh, I see yep, yep photofinnish  
When they see them glimmerin' they buy 'em  
Oh, I see yep, yep photofinnish  
Getting women like we hire em  
Oh, I see yep, yep photofinnish  
When they see them glimmerin' they buy 'em  
Oh, I see yep, yep photofinnish  
Getting women like we hire em

Yeah, yeah, photofinnish  
Uh oh, no he didn't say that  
I'ma wait till I get paid back, paid back  
Like he did his first take

Yep, photofinnish runnin' through the red tape

You always hedging on a safe bet  
Walking a tight rope with a safety net  
Face it, it doesn't mean shit unless you take a whiff  
Shush baby shut your mouth  
'Cuz you're not part of this, this time

You always hedging on a safe bet  
Walking a tight rope with a safety net  
Face it, it doesn't mean shit unless you take a whiff  
Shush baby shut your mouth  
'Cuz you're not part of this, this time

You always hedging on a safe bet  
Walking a tight rope with a safety net  
Face it, it doesn't mean shit unless you take a whiff  
Shush baby shut your mouth  
'Cuz you're not part of this, this time

You always hedging on a safe bet  
Walking a tight rope with a safety net  
Face it, it doesn't mean shit unless you take a whiff  
Shush baby shut your mouth  
'Cuz you're not part of this, this time
