Who are you anyways?  
I can't count how many days you weren't here  
The walls were closing in on me,  
But I won't live in there, no more.

There's a place in my head  
That repeats what you said,  
That repeats what you said that day.

You're afraid the mistakes that you made  
Dug your grave but baby,  
That's the price you pay.

So don't shut down this town,  
Ain't big enough for both of us, whoa.

And now I've found  
You'll never get enough from me,  
So, baby, I'mma set you free,  
Yeah I'mma set you free.

[Chorus]  
Who are you anyways  
I can't count how many days you weren't here  
The walls were closing in on me,  
But I won't live in there, no more.

Who are you anyways  
I can't count how many days you weren't here  
The walls were closing in on me (closing in),  
But I won't live in there, no more.

I've been trying to relate to  
All the things that make you  
Act the crazy ways you do (you do)

But that would take patience and headaches  
To make sense  
Of the things you put me through

So don't shut down this town,  
Ain't big enough for both of us, whoa

And now I've found  
You'll never get enough from me  
So, baby, I'mma set you free,  
Yeah, I'mma set you free

Who are you anyways  
I can't count how many days you weren't here  
The walls were closing in on me,  
But I won't live in there, no more.

Who are you anyways  
I can't count how many days you weren't here  
The walls were closing in on me (closing in)  
But I won't live in there, no more.

[Bridge x2]  
All the pictures and the windows on the wall  
are closing in on me  
I thought that you're suppose to learn from  
what went wrong in history.  
So you keep doing everything you can  
And never will get to me.  
I bet you remember the day you were better  
As soon as we severed  
And you were free

[Chorus]  
Who are you anyways  
I can't count how many days you weren't here  
The walls were closing in on me (closing in),  
but I won't live in there, no more.

Who are you anyways  
I can't count how many days you weren't here  
The walls were closing in on me (closing in),  
But I won't live in there, no more

Whoa, Whoa, Whoa, Whoa [4x]
