Nice legs, Daisy Dukes,
Makes a man go (whistles),
That's the way they all come through like (whistles),
Low-cut, see-through shirts that make ya (whistles),
That's the way she come through like (whistles),

'Cause I just set them up,
Just set them up,
Just set them up to knock them down,
'Cause I just set them up,
Just set them up,
Just set them up to knock them down

I think I should know how to make love to something
innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to
pronounce,
How do I say I'm sorry 'cause the word is never gonna
come out,
Now,
L-o-v-e's just another word I never learned to
pronounce

Tight jeans, double d's make your meat go (whistles),
All the people on the street know (whistles),
Iced out, lit-up make the kids go (whistles),
All the people on the street know (whistles),

'Cause I just set them up,
Just set them up,
Just set them up to knock them down,
'Cause I just set them up,
Just set them up,
Just set them up to knock them down

I think I should know how to make love to something
innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to
pronounce,
How do I say I'm sorry 'cause the word is never gonna

come out,
Now,
L-o-v-e's just another word I never learned to
pronounce

Push it baby, push it baby,
Out of control,
I got my gun cocked tight and I'm ready to blow,
Push it baby, push it baby,
Out of control,
This is the same old dance that you already know,
Push it baby, push it baby,
Out of control,
I got my gun cocked tight and I'm ready to blow,
Push it baby, push it baby,
Out of control,
This is the same old dance that you already know

I think I should know how to make love to something
innocent without leaving my fingerprints out,
Now,
L-o-v-e's just another word I never learned to
pronounce
