G-g-girl I gotta know  
How you dance like that  
D-d-dance like that, you dance like  
Cause you're puttin' on a show  
Can I take you back, take you back  
I just gotta ask can you show me yours  
I'll show you mine  
Don't you worry you're too fine  
We got one thing on our minds  
And we got plenty of time

Girl I gotta go  
I'm finished with the show  
If you wanna me I won't say no  
T-t-t-touchin on my  
While I'm touchin on your  
You know that we are gonna  
Cause I don't give a  
Girl I gotta go  
I'm finished with the show  
If you wanna me I won't say no  
T-t-t-touchin on my  
While I'm touchin' on your  
You know that we are gonna  
Cause I don't give a

I can't get you outta my mind  
With the way you walk  
The way you walk, the way you walk  
Baby you should be a sign  
The way you make me stop  
Make me stop, make me stop  
Cause some like fast and some like slow  
Ladies come and ladies go  
Skip the tell and let's just show  
Cause I want you to know

Girl I gotta go  
I'm finished with the show  
If you wanna me I won't say no  
T-t-t-touchin on my  
While I'm touchin on your

You know that we are gonna  
Cause I don't give a  
Girl I gotta go  
I'm finished with the show  
If you wanna me I won't say no  
T-t-t-touchin on my  
While I'm touchin' on your  
You know that we are gonna  
Cause I don't give a

I don't give a

Girl you know I want you, want you, want you now  
I know you want me, want me, want me now  
Cause there's not that much to figure out  
So baby let's get down

Girl I gotta go  
I'm finished with the show  
If you wanna me I won't say no  
T-t-t-touchin on my  
While I'm touchin on your  
You know that we are gonna  
Cause I don't give a  
Girl I gotta go  
I'm finished with the show  
If you wanna me I won't say no  
T-t-t-touchin on my  
While I'm touchin' on your  
You know that we are gonna  
Cause I don't give a

I don't give a  
I don't give a  
I don't give a
