{Verse 1}

Listen to me baby
Can i take you back
To happy times?
(how, how, how, how long?)
Everyday was paradise
Dinner and candle lights
(how, how, how, how long)
I neva thought you'd change
I didn't expect no games
I wanted you to bear my child
I wanted you to have my last name
Now who was right and who was wrong?
I really don't care cuz i gotta move on
Ima be a man about
The headache i can live without it

{Chorus}

Girl (you act so shady)
U (spend all of my paper)
R (one heck of a lady)
Said ya wrong, wrong (said ya wrong)
Said ya wrong, wrong (said ya wrong)
Girl (i don't condone it)

U (and you can erase it)
R (one heck of a lady)
Said ya wrong, wrong (but ya wrong)
Said ya wrong, wrong (ya wrong)
Girl (you tried to play me)
U (had a house and a baby)
R (one heck of a lady)
Said ya wrong, wrong (ya wrong)
Said ya wrong, wrong (ya wrong)
Girl (you are wrong)
U (so wrong)
R (dead wrong)
Said ya wrong, wrong (wrong, wrong)
Said ya wrong, wrong (wrong, wrong)

{Verse 2}

Now i admit sometimes i make mistakes
(uh, uh, uh, hmm)
The responsibility of this household was yours to take
(well)
Gave you the keys to the range
Broke you off a little bit of change
Aint no need to explain
Youre gonna miss a good thang
When it's gone away
I aint got time to play
Woman you had a chance to stay
Baby, baby girl

{Chorus}

Girl (you are so shady)
U (spend all of my paper)
R (one heck of a lady)
Said ya wrong, wrong (but ya wrong)
Said ya wrong, wrong (but ya wrong)
Girl (i don't condone it)
U (and you can erase it)
R (one heck of a lady)
Said ya wrong, wrong (wrong)
Said ya wrong, wrong (wrong)
Girl (you tried to play me)
U (had a house and a baby)
R (one heck of a lady)
Said ya wrong, wrong (but ya wrong)
Said ya wrong, wrong (but ya wrong)
Girl (you are wrong)
U (so wrong)
R (dead wrong)
Said ya wrong, wrong (wrong, wrong)
Said ya wrong, wrong (wrong, wrong)
