VERSE:

I know it's time to get you out of my life
You hurt me much boy with your special way
untrue and unkind
Ain't no more magic it's all over I guess
find someone new baby cause I am your past
The love I thought we had was only
pressure for you

CHORUS:

No more pain and lies
No more lonely nights
No more tears in my eyes
Pretty baby...
No more wasting time
No more doubts inside
No more fears in my mind
Pretty baby...

RAP:

Have no more fear cause I'll be here for you Boo
seeing you through, showing you how true I can do
Cause you were in my heart from the start
The fire got sparked by our touches in the dark

So I've got to keep my head tight
And so I did right
Dreaming about ya, you know girl every night
But you got to let me know for real what your wantin'
Stop frontin' cause I'll be huntin' ...yeah.

VERSE:

Just empty promises that you couldn't keep
You told me much boy in your special way
but I wanna be free
Ain't no more sweet caress it's over I guess
Find someone new baby cause I'm your past
The meaning of true Love was just a bad joke for
you You didn't ever try to face
what we were going through
