So high (x8)  
I'm so high  
So high (x7)  
If refer really makes you happy  
Nigga Blaze it  
Hell yeah  
Hell yeah (x2)  
Straight smokin, token  
Rollin blunts  
And ya lovin (x4)  
We alright  
We alright  
Hell yeah  
We feelin alright (x2)  
I been fucked up since the last sweet song  
P.O.D.'d the whole night long (x2)  
If refer really makes you happy  
Nigga Blaze it  
Hell yeah  
Hell yeah (x4)  
Straight smokin, token  
Rollin blunts  
And ya lovin (x4)  
We alright  
We alright  
Hell yeah  
We feelin alright
