[Krayzie Bone]  
I feel so zigidy zigidy zigidy, cause I'm floatin in  
ecstasy  
I feel so zigidy zigidy zigidy, cause I'm floatin in  
ecstasy  
I feel so zigidy zigidy zigidy, cause I'm floatin in  
ecstasy  
I feel so zigidy zigidy zigidy, cause I'm floatin in  
ecstasy  
As you can see I took the pill (I took the pill), right to the

house

Grabbed a shot of liquor and pop, pop, popped it in my mouth

And I'm thinkin to my self that this might be a waste of my time

cause what if I don't even get high

Thirty minutes done came by, I didn't even seem high until I stood up and looked at the ceilin for some reason

Now I'm tweakin, then I tried to walk but I was slow..

I guess I'm floatin in ecstasy (just like the nigga told me)

[Krayzie Bone & Flesh Bone]

I feel so pillish pillish pillish, cause we floatin in ecstasy

I feel so pillish pillish pillish, cause we floatin in ecstasy

I feel so pillish pillish pillish, cause we floatin in ecstasy

I feel so pillish pillish pillish, cause we floatin in ecstasy

[Flesh Bone]

My name come alive, be told

And I'm pokin in somethin, oh damn but it ain't no joke

Cut guards and red beans

And for them niggaz that follow me around for my mojo

Feelin so see... cause I'm floatin in ecstasy (alright)

Ahh, my nigga just call up the homey

To hook us up on that liquid G

and if these hoes don't wanna see, they gotta check the spot quickly

Im feelin way high, but I'm also feelin way low

But damn I'm stuck in between

Fuckin with broad boys and never get used

Just help, just throw in a few more

Diablos, nigga Flesh Bone so chill

I'm feelin it hump through my body, feelin hot and exotic

Feelin knocked out, feelin too sexy for my motherFUCKin self!

Gotta find my bitch and fuck her ass to death!

[Krayzie Bone & Flesh Bone]

I feel so pillish pillish pillish, cause we floatin in ecstasy

I feel so pillish pillish pillish, cause we floatin in ecstasy

I feel so pillish pillish pillish, cause we floatin in ecstasy

I feel so pillish pillish pillish, cause we floatin in ecstasy

[Layzie Bone]

Whose my nigga that told me the level?

I started to see the devil, nigga was floatin in ecstasy

Shit, I took the pill, couldn't feel nothin so I'm breakin

but about thirty more minutes later, nigga was on the  
couch fainted  
Arms sweaty, man why in the fuck y'all let me do this?  
Im lookin at my homegirl like I want her, nigga this  
some new shit  
I realized, nigga took one step and started stumblin  
and I was tryin to call my nigga but he couldn't hear  
me, so I guess I'm mumblin  
Fall off into somethin, but I guess I'm on a mission  
Tellin my niggaz that I love 'em now but it ain't nobody  
listenin  
Whistlin, hangin out tha window, need me some indo  
'till I let go, like, me silky fine-ine, ine  
Flown the expo, knock.. knock, knock at the door  
but nigga was paranoid, so I grabbed my gun bucked it  
at the door  
Ooh-wee, shit happens, my family got me faded  
But I'm runnin a secret cous', cause a nigga can't take  
it  
Shake it, if I can but I blend in with the killers  
and I wish +E+ was here to feel pillish (pillish, pillish)

#### [Wish Bone]

I feel so violent, violent fuckin with that ecstasy (come  
roll with me)  
I feel so violent, violent fuckin with that ecstasy ..  
I feel so violent, violent fuckin with that ecstasy (come  
roll with me)  
I feel so violent, violent fuckin with that ecstasy ..  
I've been smokin weed for a very long time, why should  
I change?  
And plus they say that ecstasy shit fucks up the brain  
(brain)  
Ah, why should I, just to get high, weed gets me high  
(weed gets me high)  
"Nigga try this here," they said "better then that there"  
They say, "ya like it (ya like it)" so I tried it (I tried it)  
I thought the shit'll have a nigga high and horny  
Im high, but I'm too high, I wanna hurt somebody  
Nigga you trippin, get a hold of that shit, and ride that  
high  
But I'm trippin, body moves, won't nobody get hurt  
(hurt)

#### [Bizzy Bone]

Groanin, groanin, groanin and she ain't even in the car  
Layzie won't believe we high off the LSD  
Would ya' slow down, we ridin on the highway  
Get the wheel so I can go down on ya, I sever it on my  
own way  
(ahh) She reachin feelin so zigidy zigidy zigidy

Got these bitches, fuckin them bitches  
Baby be peeled off, peelin on, movin slow  
and Bizzy be rock hard, tongue well and mean slow  
We in the club drunk, fucked up, and still rollin  
They know my pockets swollen, hold up, show them we  
rollin  
We rollin, rollin, rollin and rollin, rollin, rollin  
I feel so zigidy zigidy zigidy and we rollin on that  
ecstasy  
I feel so zigidy zigidy zigidy and we rollin on that  
ecstasy  
.. and we rollin on that ecstasy, and we rollin on that  
ecstasy  
and we rollin on that ecstasy, and we rollin on that  
ecstasy

[Outro] Fuck it, gimmie a pill nigga  
... Oh shit, oh shit!
