Motor bikin' - motor bikin' -
Motor bikin' - motor cycling
Moving on the Queens highway
Looking like a streak of lightening
If you gotta go go gotta go motor bike riding
Listen to me and I'll tell you no lie
Too fast to live too young to die
I bought a new machine today say
It takes your breath away.

Motor bikin' - motor bikin' - motor bikin' - motor cycling
Moving on the Queens highway looking like a streak of
lightening.

Oh baby wont you come with me
I'll take you where you want to be
Well here I am again I'm dressed in black
I got my baby she's a riding up back
a we're doing about ninety five
whoo it's so good to be alive.

Motor bikin' - motor bikin' - motor bikin' - motor cycling .
