Verse 1

It happened somewhere where she couldn't escape
from the first one until the very last date, and now its to
late to get back what she lost, because he has taken
the best of her all

Chorus

I want you to know, that she's not gone give up, she
wants you to know

what it feels like to be in love and torn apart I want you
to know even though your from her past she still wants
to show, even after death

Verse 2

She sat alone and prayed he would go away, now until
this day she's been wooing beyond the grave, she's
ready for revenge then she turns

to her true friend who would that be but only you

Repeat chorus

Bridge and Fade

Shes had enough, she's gonna be tough never gonna
leave you alone so get alone little homie she's tired of
roaming to find true love

she love and love and love u

I want you to know that you cant escape

and I know she wants u to know
