"Sorry"

Visit "[Sorry](#)" on MotoLyrics.com

I won't say sorry for what i've done
I won't say sorry for having fun
I won't take the blame
No i ain't gonna be ashamed
Won't say sorry for what i've done
I don't say sorry to anyone

[Chorus]
Shout it out
Shout it out
I don't give a damn cos im proud of what i am
Shout it out
Shout it out
I don't give a damn 'cos i'm proud of what i am
I don't give a damn 'cos i'm proud of what i am

I won't say sorry to you
If you think i will you know what you can do
I won't apologise
and i won't put up with any of you lies
I won't say sorry to you
You can stuff that up your asshole too

[Chorus x3]

I won't say sorry for what i act
I won't say sorry for the manners i lack
I won't say sorry at all
I won't say sorry 'cos it makes me feel small
I won't say sorry for the way i act
I won't say sorry and thats a fact

[Chorus]
