Vandrers ensom på ukjente stier
Skumringen senker seg
Roper, venter -stillheten tier
Skumringen senker seg

Vakker sang langt av lei
Myrkledd slette i skogen
Takeslor viser vei
Myrkledd slette i skogen

Alvedans i takedisen
"Kom søster, kom med oss
Kaldt, kaldt i kveldsbrisen
"Kom søster, kom med oss"

Alvekongen tar meg i favn
Høye trøer kaster skygge
Glemt er mitt menneskesavn
Høye trøer kaster skygge

English translate: Wandering

Wandering lonely on unknown paths
The twilight falls
Calling, waiting - the silence keep silent
The twilight falls

Beautiful song far away
Bog-faced plain in the woods
Veil of fog shows the way
Bog-faced plain in the woods

Fairy dance in the haze
"Come sister, come with us"
Cold, cold in the evening breeze
"Come sister, come with us"

The erl-king embraces me
Tall trees casts shades
My loss of humans is forgotten
Tall trees casts shades
