Vers

Let the Lord arise for you, let the enemies be
slaughtered
Let them that hate Him flee before His face
As smoke is driven away, drive also them away
But you the righteous, can rejoice in His name

Chorus

Day by Day, on and on, Day by Day he carries us

Vers

As wax melts before the fire so let the Evil perish
And before the name of Jesus no one is unmoved
When the Lord goes before His People
And fight against the dark, the earth and heaven shake
With the power of his might

Chorus

Day by Day, on and on, Day by Day he carries us

Stick

Blessed is the lord, blessed be his name
He's the Lord who saves you and me
He has given strength to His people
Blessed is the Lord who carries us

Vers

But God shall wound the head of His enemies
And the powers of darkness tremble before His name
Yeah, the beast is defeated, Jesus has won
He is risen, he is alive, he is alive

Chorus

Day by Day, on and on, Day by Day he carries us

Stick

Blessed is the lord, blessed be his name
He's the Lord who saves you and me
He has given strength to His people
Blessed is the Lord who carries us

Vers

One day you and I will see His Kingdom
But I hope you won't remain on the other side
Because it might be too late for you to choose
And the night will enclose you and you'll be alone

Chorus

Day by Day, on and on, Day by Day he carries us

Stick

Blessed is the lord, blessed be his name
He's the Lord who saves you and me
He has given strength to His people
Blessed is the Lord who carries us
