This that feeling music you know

"Just Blaze"

[Verse 1: Freeway]

I went from the ghetto to the ghetto and I'm back again  
And we doing it back and forth roll with a gang of thugs  
My burner my hood passport fresh from the airport I'm  
back again

And I clap your men; I'm from a block where niggas  
might blast your pops

No chance ambulance can't save your kin; smoke  
reefer burn reefer

Chill in my spot instead of making selat drink liters of  
gin

I'm drunk again I'm high again I just might fly a kite

To my niggas up state knocked off in the pen

They booked in a jail; I'm booking a flight

It's fucked up last year we was all on the block

This can't be life this can't be love

They roll with a whack; I roll with a snub

We all in a fight

[Chorus: Allen Anthony] + (Freeway overlapping the  
chorus)

Alright, (woo) baby don't you cry (ugh)
