Hey, ey, ey, ey, ey  
Those steps are deadly  
Narrow and straight up unfriendly  
Sometimes we live and we learn, don't we

If I fell  
What would catch me  
Not a safety net you can bet me  
Sometimes we crash and we burn, don't we

Watchin' and waiting for my train to come  
Watchin' and waiting for my train to come  
I don't, wanna get stuck (don't wanna get stuck)  
Don't wanna get stuck (don't wanna get stuck)  
Don't wanna get stuck (don't wanna get stuck)  
Yeah, yeah, yeah, yeah

Ey, ey, ey, ey, eighteenth century garden  
300 hundred years you've forgotten  
Your strictly cemetrical flow

In my pocket  
Leave me a relic  
I think that I'm safe I can't spell it,  
I don't think anyone cares, anyways

Watchin' and waiting for my train to come  
Watchin' and waiting for my train to come  
I don't, wanna get stuck (don't wanna get stuck)  
Don't wanna get stuck (don't wanna get stuck)  
Don't wanna get stuck (don't wanna get stuck)  
Yeah, yeah, yeah, yeah
