[Mario Winans]

Yeah

It's Mario yellowman Winans

And I got the formula baby

It's 4mula1

Sobe Entertainment

Rock like this

Come on

We started out as friends

You said that what we had would never end

It was all good back then

Now you're saying goodbye baby

I can't believe that you would run your game on me  
baby

After all the time I put in you

Not after everything I did for you and me baby

So now I know what I gotta do

I gotta roll, I gotta smash

I gotta break, I gotta dash

I gotta live and bounce

On out right now

I'm gonna roll, I'm gonna smash

I'm gonna break, I'm gonna dash

I gotta get away from you

I thought that we could talk (we could talk)

But now I see you were never in love

Sometimes it was rough

But you promised me that you would be honest

I can't believe that you would run your game on me  
baby

After all the time I put in you

Not after everything I did for you and me baby

Now I know what I gotta do

I gotta roll, I gotta smash

I gotta break, I gotta dash

I gotta live and bounce

On out right now  
I'm gonna roll, I'm gonna smash  
I'm gonna break, I'm gonna dash  
I gotta get away from you

You got me (gots ta) busted if you think that I  
Gonna go crazy  
Don't get it twisted  
You must've lost your mind  
It's you i'll say goodbye to

I gotta roll, I gotta smash  
I gotta break, I gotta dash  
I gotta live and bounce  
On out right now  
I'm gonna roll, I'm gonna smash  
I'm gonna break, I'm gonna dash  
I gotta get away from you

I gotta roll, I gotta smash  
I gotta break, I gotta dash  
I gotta live and bounce  
On out right now  
I'm gonna roll, I'm gonna smash  
I'm gonna break, I'm gonna dash  
I gotta get away from you

I gotta roll, I gotta smash  
I gotta break, I gotta dash  
I gotta live and bounce  
On out right now
