I wish that I could sleep the way my girlfriend does
She sleeps through every earthquake and all the floods
But when the rooster crows, my eyes are barely half
closed

With my rope lights beaming and my brand new sink,
clack, clack
Checkered medicine cabinet, bathroom black and pink,
eh
Feng shue hasn't helped me in anyway

I need, I need sleep oh so badly
Put your little arms up and grab me
I need, I need sleep oh so badly

No parking spots from 2nd street to ximeno
So many parking violations, I guess I'm criminal
Livin in a haze, smog don't even faze me

Diphenhydramine in my veins, over saturated
Wheels spinning, going nowhere, over caffeinated
I swear, narcolepsy's my solemn prayer

I need, I need sleep oh so badly
Put your little arms up and grab me
I need, I need sleep oh so badly
