I'm Shelly the crab and I like to snap my claws,
I'm Shelly the crab and I like to snap my claws,
Snap , snap, snap, snap
That's what I like to do best,
Snap, snap, snap, snap
That's what I like to do best.

I don't have to go home
My home's on top of me,
I do come out and take a peek,
To see what surrounds me.
CHORUS (I'm Shelly the crab)

My shell is what protects me ,
For awhile as you can see,
When I get too big for it,
A new shell I shall seek.
CHORUS (I'm Shelly the crab)

Snap , snap, snap, snap
That's what I like to do best,
Snap, snap, snap, snap
That's what I like to do best.
