We're Christian and we're Jewish and of African  
descent  
we've always found the holidays  
to be a strange event

So on the first day of Chanukah  
my true love sang to me  
a new all purpose carol  
right for trimming a hybrid tree

Merry Christmas! Happy Chanukah!  
Kwanzaa time is here!  
it's that fa-la-la deedle-dum  
jumbo jumbo time of year  
Gloria! Baruch ha ta  
in Excelis Deo  
Da-a-ay-o!  
Daylight come  
and the drummer boy drum  
and the angels fly away-0!

Daylight come  
and the drummer boy drum  
and the angels fly away  
Oy-man!
