I wonder why I long for you this way  
We're always together, and even though I see you  
everyday,  
The night seem so empty  
But when I dream, I dream of you.  
Yes, I dream of you.

REFRAIN:

'Coz there are feelings I can't hide  
I know I better cross the line  
Before it's too late  
Before it's too late  
You may not think that it's okay  
But I know it's wrong if I don't say  
Before it's too late  
Before it's too late

I hate it when you say that you can't stay  
Thank God, you stayed longer,  
And yet it's not enough to fill my day  
My life seem so happy now  
But deep inside I long for you.  
Yes, I long for you.

(REFRAIN)

I wonder if you feel the same for me?  
I wonder if your heart will ever see? (come to see)

(CHORUS 2x)
