#### Verse 1:

Grief is a Freight Train,  
Oh what's a little pain  
When you've got so much to Love.  
Grief is a Freight Train,  
Oh what's a little pain  
When you've got so much to Love.

#### Verse 2:

Forever is a slow dream  
Oh what a vivid thing  
When you've got so much to lose.  
Hope is a fast car  
Only takes you so far  
Boy, You've got a lot to learn

#### Chorus:

Close your eyes  
Take to the Sky like a big blue Kite

Leave your woes behind.  
Closed my eyes  
Try to remember what you said to me,  
Before you say Good-bye.

#### Verse 3:

Love is a slow song  
Playing on the Radio  
I know every word by heart  
Happiness is soft light  
That we see our lives by  
Only fading to the dark

#### Chorus:

Close your eyes  
Take to the Sky like a big blue Kite  
Leave your woes behind.  
Closed my eyes  
Try to remember what you said to me,  
Before you say Good-bye.
