[Freeway]

ch ch, ch ch, uh, uh, ch ch uh  
Just Blaze, Free, yeah, uh  
IT'S THE YEAR 2003! and we facin off  
And we got what it takes to ball  
If you got what it takes for DE-fense when you leave the  
bench  
Bring your ball, game, sneaks, and all  
GET LOST! if you ain't come to win  
Don't got what it takes to play  
It's NBA and we break the rim  
Post up and shoot the J  
Get the rebound, do it again  
HE SCORES! that's two more points  
Add it to the scoreboard, wave to the crowd  
Actin all wild, didn't see my coach  
Took it overboard, got a flagrant foul  
OUCH! that hurt a little  
But I got what it takes to win  
Crossover then I work the middle (right)  
Take mine, shoot from the line (uh)  
Climbed up, scored again  
They go LIVE!

[Memphis Bleek]

yo they call me EA Bleek cuz I'm in the game  
I play zone D, nobody don't drive the lane  
Can't knock when I'm hot, stop pull up J or  
Cross 'em over to the paint all day or  
Thread the needle like Magic in his prime  
Trust you gotta foul me, send me to the line  
Cuz it's free throws (yup) and I'm good with those  
Off the glass to Free, he good with those  
And your squad can't 'bound, gettin housed around  
Coach you gotta sub 'em, sit a couple of 'em down  
But me, I'm gonna do it til it finish (what)  
I ball all four quarters, all forty-eight minutes  
Me? MVP, they envy Bleek  
Got the squad gettin hot live (\*echo\*)  
We East champs dog get it right  
Trust you wanna play? bring the ball, we get nice

Let's go
