Nowhere but you

I'm gone until i'm within you

Nowhere but you

There is no (better) place that i've been to

And if i'm condemned

Let me rest on my pillow

And dream of those moments so few

And if i'm blessed

I'll be chasing your shadow

There i go

Nowhere but you

Nowhere but you

Nowhere but you

When you were here

I thought that i would never miss you

When you were gone

I felt that i had never lived here

And if i'm condemned

Let me rest on my pillow

And dream of those moments so few

And if i'm blessed

I'll be chasing your shadow

There i go

Nowhere

Nowhere but you

Nowhere but you

Nowhere but you

Nowhere

But you
