I know i accepted  
But this missions a death wish..  
I really must be desperate..  
to mess wit the best shit!  
By intergratin my thoughts...  
an my words so they merge..  
i've perfected the curse..  
an rapped it up in a verse!  
A surge that is worse then..  
a terrorist's bomb...  
A storm on this earth..  
that must be second to none.  
I've been wronged in the past..  
an i've longed for the cash..  
but the bad things dont last..  
even the sad times have passed!  
When puttin in contrast..  
my life longs for a conquest..  
by just forgettin the stress..  
an puttin my mind to the test!  
Dont think of me no less..

as i aint done nothin wrong...yet!
