And I see the way you are when I undress you (yeah)

Get on that bed babe "n" show me how you stay

I wanna know if you like it hard or soft

But I know you'll like it my way

[Chorus- Third Edge]

In & Out

You like it baby

No telling me maybe

Front to back

I'm lovin' you baby

All over you baby

Up and down

You're feelin' it baby

I know you are baby

Round and round

Let me touch your body there

[Verse 2- Tom]

Now you are the type to give it to me right (yeah)

Lady you started this no backing out tonight no

Give me some of your loving girl

That you promised to give me

So undress yourself get comfortable

Feel my sexuality

In the bedroom with ur legs to the ceiling,

Looking atcha body with ur clothes ime peeling,

Off ur bbbback, when i cum now with my attack,

When ime licking u first from ur feet to ur head,

Doesn't really matter on a couch or a bed,  
Take it slow, do u think that u can handle my flow?  
When i explode i'll be letting u know,
