U know u wanna

Come on yeah,
Ah yeah, oh yeah

Girl I wanna b your lover
Anytime, anywhere u discover
Girl I feel ya, I aint tryin 2 b clever
Coz if u aint doin me right girl, ur doin me wrong
Girl im givin u da picture,
DonÂ't talk, donÂ't trip n IÂ'll teach ya,
Just sit back, relax n IÂ'll fix ya
You know that im telling ya right girl not telling ya
wrong!

I c about all the little things ya do
YouÂ're tryin 2 get a little lovin 2
But I play hard so drop full guard n lets get trembly like
u want me 2

You know u wanna
Rock, rock on da floor, You want it,
On top like before, im gonna
Freestyle it, full product, so come n give me more
You know u wanna,
Non-stop remedy, u wanna,
Knock, knock 2 da beat,
U know I holla, u folla!
?

Let me tell ya girl I like it
touch ya hips, make u flip like no man!
Let me show u how we do it 2 a slow jam
U know I like u getting it right girl, ya turning me on
Now lady do it this way,
from front 2 back n do as I say
its that time of the night so lets forplay
I told u would bring it 2Â'ya right girl, weÂ're getting it
on

I c about all the little things ya do
YouÂ're tryin 2 get a little lovin 2

So play ur part, in alto-charge
N lets get trembely like u want me 2!

You know u wanna
Rock, rock on da floor, you want it,
On top like before, im gonna
Freestyle it, full product, so come n give me more
You know u wanna,
Non-stop remedy, u wanna,
Knock, knock 2 da beat,
U know I, hola, u folla!
Wanna rock, wanna rock, wanna rock

U wanna rock, rock, rock 4 tonight it aint da lovin
Coz when I fink of you lady, its all da push n shoving,
WeÂ're in da bedroom, right 2 da boom. Boom
Though my speaker, as I take u 2 your peak

N uÂ'll b telling ya crew,
Dat the 3-e boys roasted, toasted u, make da most of
u,
? n ? u,
N all ya friends,
Now all da boys wanna avÂ' u on da wknd, is dat a
problem?

You know u wanna
Rock, rock on da floor, You want it,
On top like before, im gonna
Freestyle it, full product, so come n give me more
You know u wanna,
Non-stop remedy, u wanna,
Knock, knock 2 da beat,
U know I holla, u folla! Â... To fade
