Sleepin, not-not nappin
Snoozin and loosein this war to this new world order

Once more
It looks like to me
This beast prepared a horizontal feast
No least then a 666 corntale trips
This devil loves it man, but check this
His enemy is going public
He going public about this vertical snowflakes
Bakes at 33 and a third degrese
On her knees she begs please (please please)
Just give me just one more hit

Just give me just one more hit
Ease my pain
Brain on a wide soooooo train

To the ???? trippin America
Brought to you by the ultimate sin
Horizontal pozes, cloth and backsin
Horizontal heroin (watch it)
