Little is known why I beckon and moan
I see what's comin
Madd brothers will be bumming
After the math the drug lords brought the wrath
Of those of us who once thought we needed to be
weeded
Bust, dust made that head bust
I remember came after
Cheba cheba had you wide like a receiver
What looks like fire is ice
Fall for the flame
Catch it twice like Jerry Rice
Nice !!
Against odds I recognize it in the cards
Hard to be played back and black the jack of all spades
Ash to ashes blunts to blunts
Some of these geez ain't real
I seen em once upon a time
So many rhymers and not enuff rhymes
I hope they around next year but I fear
I'm all time and I'm down for the ruffness
But what good is the rhyme without substance

[Chorus]

Now back to the underdog
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--
--It's the underdog--
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--

[Verse 2]

Nobody savin the time
The rhyme never thanks
Who be givin
Ravin who on top of the charts
Grabbin the Gavin
Now I can't use my name
Half the body be dancing head swoll
But one thing I can do is finger roll
The hit list grows like Pete Rose
As I rise above who you recognize
I wanna know that disguise
Who are you?
And wher'd you come from ?
I don't know where you come from now see how you
run
First on a verse I gets vertical
Flip works like a grammatical gigolo
A head from many years ago
I brought the noise on the R&B boys
The chronological
Or the ghetto celeb
Never claimed the best
Nor was I great at finesse
But everything is everything
And everything is real
It appears I shift gears
To the ears of my peers
No appeal
I'd rather be the underdog

[Chorus]

...the underdog
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--
--It's the underdog--
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--

BRIDGE x4

Ashes to ashes blunts to blunts

Some of these geez ain't real
I seen em once

[Chorus]

It's the underdog
--Now whooooo--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--

[Verse 3]

I'm low maintenance
The picture I'm paintin
Is just intelligence
Not another nitwit you can get with
Self haters, traitors
Thinking now that later
Turned they head
Dissin something that I said
I get ill on a beat track
Make me wanna go back
Way back
Where it's not a trace of Babyface
Unplugged tempos from this undrugged temple
catalog
I rather be the underdog

...the underdog
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--
--It's the underdog--
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--
...the underdog
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--

--It's the underdog--
--Now whooooo--
--East to the....--
--Live from New York--
--It's the underdog--
--Who they least expected--
--Live from New York--
