When you're weary feelin' small

When tears are in your eyes

I'll dry them all

I'm on your side

Oh, when times get rough

And friends just can't be found

Like a bridge over troubled water

I will lay me down

Like a bridge over troubled water

I will lay me down

When you're down and out

When you're on the street

when evening falls so hard

I will comfort you

I'll take your part

Oh, when darkness comes

And pain is all around

Like a bridge over troubled water

I will lay me down

Like a bridge over troubled water

I will lay me down

Sail on silver girl

Sail on by

Your time has come to shine

All your dreams are on their way

See how they shine

Oh, if you need a friend

I'm sailing right behind

Like a bridge over troubled water

I will ease your mind

Like a bridge over troubled water

I will ease your mind
