Pan fyddair'r nos yn olau  
A llwch y ffordd yn wyn  
A'r bont yn wag sy'n croesi'r dwr  
Difwstwr ym Mhen Llyn  
Y tylluanod yn eu tro  
Glywid o lwyncoed Cwm y Glo

Pan siglari'r hwyaid gwylltio  
Wrth angor dan y lloer  
A Llyn y Efridd ar Ffridd y Llyn  
Trostynt yn chwipio'n oer  
Lleisio'n ddidostur wnaent i ru  
Y gwynt o Goed y Mynydd Du

Pan lithrai gloyw ddwr Glaslyn  
I'r gwyll, fel cledd i'r wain  
Pan gochai pell ffenestri'r plas  
Rhwny briglas Iwyni'r brain  
Pan gaeal syrthni safnau'r cwn  
Nosai Ynys for yn eu swn

A phan dywlla'r cread  
Wedi'i wallgofddydd maith  
A dyfod gosteg diystwr  
Pob gweithiwr a phob gwaith  
Ni bydd eu Lladin ar fy llw  
Na llon na lieddf "Tw-whit, Tw-hw."

When night was lit by moon-glow  
And dusty roads lay white  
The empty bridge bestrode the stream  
O'er water's gleam so bright  
The owls were heard, each one in turn  
From Cwm y Glo across the burn

When wild ducks swayed at anchor  
Beneath the moonbeams bold  
When moaning wind it's woe did sing  
Whipping the wavelets cold  
Pitiless was their hooting then  
From Myndd du across the glen

When gleaming Glaslyn glided  
Through dusk, like sword to sheath  
When distant mansion's windows glowed  
Through shadowed woodland's wreath  
When sullen silence woodland's wreath  
Ynysfor's night to their sounds

And when the worlds shall darken  
Ended their frantic day  
And when the stealthy stillness minds  
All mankind's work and play  
Still shall their Latin sound, 'its true"  
Nor glad nor sad, "Tu shit, tu whool"
