Huh Oh

You complete me

Like air and water boy

I need thee

And when I'm in your arms I feel free

Fallen

My heads up in the clouds in love

I'm proud

To you say it loud

Like an accident it happend

Out of nowhere

It just happend

And I aint mad at all

Because I've

Fallen

Head over heels

I've fallen

In love with you

I've fallen

And I can't get up

Don't wanna get up

Because of love (Because of love)

Fallen

Head over heels

I've fallen

In love with you

I've fallen

And I can't get up

Don't wanna get up

Because of love

Baby

To let you get away is crazy (Let you get away)

so I'm doing what it takes

To make you pledge your love to me

You see cause I'm tryna be a lady

For ever and ever baby

The picture wouldn't be the same

If you weren't standing next to me

Can't you see I'm fallen

Fallen

Head over heels

I've fallen (I'm fallen)

In love with you

I've fallen (Oh)

And I can't get up

Don't wanna get up

Because of love (Because of love)

Fallen

Head over heels

I've fallen

In love with you

I've fallen

And I can't get up (And I can't get up)

Don't wanna get up (Don't wanna get up)

Because of love

You complement me

Not an accessory

You're necessary

You never could speak bad words against me

Your bare with me

Security

Are you here with me

Your my happiness

My joy (Joy)

And all because of you boy

I look forward to the time

I spend with you

Whatever it is we do

Cause I'm fallen for you boy

Yeah, yeah, yeah

Fallen

I've fallen for you

Fallen

Head over heels for you

So in love with you

Fallen

Love, oh

For you

Touch me (Touch me)

Hold me (Hold me)

Love me (Love me)

Kiss me

In love with you

Talk to me (Talk to me)

Caress me (Oh)

Play with me

Don't wanna get up

It's gonna be

Your my everything

Fallen

Head over heels (To let you get away is crazy)

I've fallen

In love with you

I've fallen

And I can't get up (I won't get up)

Don't wanna get up (Don't wanna get up)

Because of love

Fallen (Touch me)

Head over heels (Hold me)

I've fallen

In love with you

I've fallen (Whoa)

And I can't get up (With you)

Don't wanna get up

Because of love

Fallen (In love)

Head over heels

I've fallen (My joy)

In love with you

I've fallen

And I can't get up (And I can't get up)

Don't wanna get up (Don't wanna get up)

Because of love

Fallen (Head over heels for you)

Head over heels (So in love with you)

I've fallen

In love with you

I've fallen

And I can't get up (And I can't get up)

Don't wanna get up (Don't wanna get up)

Because of love
