Telling lies well that's no surprise.

Can you see them, see right through them?

They have no shield no secrets to reveal.

It doesn't matter what they say in the jealous games  
people play.

Hey, hey, hey.

Our lips are sealed.

There's a weapon which we must use in our defense.

Silence.

Spreading rumors so far from true.

Dragged up from the underworld just like some  
precious pearl.

It doesn't matter what they say in the jealous games  
people play.

Hey, hey, hey.

Our lips are sealed.

Pay no mind to what they say, It doesn't matter anyway.

Our lips are sealed.

Hush, my darling.

Don't you cry.

Cryin' Angel.

Forget their lies.

Can you hear them?

They talk about us.

Telling lies well that's no surprise.

Can you see them, see right through them?

They have no shield no secrets to reveal.

It doesn't matter what they say in the jealous games  
people play.

Hey, hey, hey.

Our lips are sealed.

Pay no mind to what they say, It doest matter anyway.

Our lips are sealed.

Our lips are sealed.

Our lips are sealed!
