Nightmare's Inspired

Someway feeling too tired. Enter into nightmare's inspired. 8 inch blade ripping flesh. Blood spattered what a mess.

Lock away your children. He's still coming! Behind the door should i open it for you. Or are you just gonna die too?

JUST...THINK..ABOUT IT. WILL..YOU...EVER RE-LIVE IT? A BRO...KEN PAST. WONDER WHY...HE HAS THIS MASK? Steps climbing. Such bad timing. The closet could be the best choice. But what if he hears your voice?

Can't you feel the death return? How could he survive the flames that burned? Last time I thought he died. But I'm wrong he's still alive!

JUST...THINK..ABOUT IT. WILL..YOU...EVER RE-LIVE IT? A BRO...KEN PAST. WONDER WHY...HE HAS THIS MASK? Your pacing, retracing every single path. He'll catch you no doubt. He'll find you he has a trap. Nothing to do but shout.

JUST...THINK..ABOUT IT. WILL..YOU...EVER RE-LIVE IT? A BRO...KEN PAST. WONDER WHY...HE HAS THIS MASK? Someway feeling too tired. Enter into nightmare's inspired. 8 inch blade ripping flesh, Blood spattered what a mess.
