Verse 1:

Now what you in the party for if you can't get down on  
the floor  
So what she ain't checking for ya don't let that one girl  
destroy ya  
For every dime that's on the floor there's about a  
hundred more  
Steady coming through the door so what are you  
waiting for  
You and yo boys came to mack cuz ya'll know where  
the parties at  
So hot you might suffocate but ya'll not tryin to leave  
this place  
Got on ya tightest gear competition's pretty fierce  
Grab that girl don't let her go no matter if the song is  
fast or slow

B-section:

That's right fellas ya'll came here to dance  
Get off the wall let me see you wave yo hands  
That's right ladies ya'll came here to groove  
Grab a fella that you like now everybody move  
You might have to call the cops  
Let me see you dance- dance  
Let me see those hands - hands  
Cuz the party never stops  
1-2-3 Comin'

Hook:

Clap your hands just a little bit louder  
Stomp your feet if you came to party  
We are in here and there ain't no trouble  
We just want ya'll to move ya bodies  
Clap your hands just a little bit louder  
Stomp your feet if you came to party  
We are in here and there ain't no trouble  
We just want ya'll to move ya bodies
