I know I said it, I know I did it  
Maybe I went overboard to prove a point  
But sometimes my pride gets in the way  
Maybe I need some time away to get my head  
together,  
Yeah, yeah

Maybe this was my last chance (I may never)  
I may never get to hold your hands again  
I can say that I'm a better man  
I'm sorry (Because you made me understand)

I'm so sorry that I tore your heart apart last night  
(And I'm sorry)  
And I'm sorry if I scarred you again today (I didn't  
Mean to take your dreams)  
I didn't mean to take your dreams (Mmm) and make  
them  
Seem so trite (I sincerely)  
I sincerely (Oh), completely (Yeah) apologize for  
Doin' what I did

Everything you taught me and everything you showed  
me  
It never seemed that I would listen to anything  
But you've got my attention more than you know  
I take it in, I dealt with it, but I waited too late  
To use it, oh...oh...

Maybe this was my last chance (I never)  
I may never get to hold your hands again (I can say)  
I can say that I'm a better man  
I'm sorry (Because you made me understand)

I'm so sorry that I tore your heart apart last night  
(I'm so sorry)  
And I'm sorry if I scarred you again today (I didn't  
To mean to hurt your heart)  
I didn't mean to take your dreams (Oh...yeah) and  
make  
Them seem so trite (I sincerely)

I sincerely (Completely), completely apologize for  
Doin' what I did

I've never ever been so  
(Shameful for what I did) You made me know  
(But you made me know one thing)  
(That I shoulda never did)

If you never take me back again (I never, never  
Wanted)  
I never wanted to burn this bridge  
(If I could do it) Do it (All over) all over (Again)  
Again  
I'll never mishandle you ever again

I'm so sorry that I tore your heart apart last night  
(I'm so sorry)  
And I'm sorry (Oh) if I scarred you again today (I'll  
Never, never, never, never do it again)  
I didn't mean to (Oh) take your dreams and make them  
Seem so trite (Make you seem so, oh)  
I sincerely (I sincerely), completely (Completely)  
Apologize for doin' what I did (Ho...)

I'm so sorry that I tore your heart apart last night  
(That I tore your heart)  
And I'm sorry if I (That I tire you apart) scarred you  
Again today (I didn't mean what I said)  
I didn't mean to take your (I didn't mean what I did)  
Dreams and make them seem so trite (Baby)  
I sincerely (Baby), completely (Baby) apologize (Baby)  
For doin' what I did (Oh...oh...oh...)

I'm so sorry that I tore your heart apart last night  
(I can't say it no better, I'm sorry)  
And I'm sorry (I'm sorry) if I scarred you (Sorry)  
Again today (What do you want me to do)  
I didn't mean to (If I could do it all over again)  
Take your dreams and make them seem so trite  
(I would try to make you understand)  
I sincerely (That I'm a better man), completely (I'm a  
Better man)  
Apologize for doin' what I did (A better man for you,  
Baby)
