Sick inside oh so sick
Restore this heart of mine
Suffer, don't let go
She's gone don't let go

Trials and tribulations
Meditation suplication
The desires of our hearts
For every memory every breath
For every moment and every thought
Shall be cherished in our hearts for eternity

But first and foremost
We must seek GOD the most high

Suffer, don't let go
She's gone don't let go
If foundations are destroyed
Where shall the righteous be

Righteousness in you
GOD, GOD, GOD
So far, don't let go
