Just don't say no  
I just wanna play  
And can you even see  
Eyes closed but they talk to me  
'Cause I know of a place that I trust  
If you could only see  
Eyes closed but they talk to me so

It just doesn't matter anymore  
Sacred  
'Cause what I see and what I feel is real  
Sacred  
I can't hide these things inside of me  
Sacred  
So ask me how I feel

And I see you  
In the crowd just by my side  
And can you even see  
That I'm anguished and your just killing me  
'Cause I know of a place that I trust

If you could only see  
Eyes closed but they talk to me so

It just doesn't matter anymore  
Sacred  
'Cause what I see and what I feel is real  
Sacred  
I can't hide these things inside of me  
Sacred  
So ask me how I feel

Pushed and shoved  
Used and abused  
Oh GOD  
Oh please, would you  
Hear my cry

Are you in a lie  
As the souls now  
And they cry and they cry and they cry

Shhhhh  
Hey kid, do you see  
Do you feel  
Do you believe
