Vers1.

You know i had a few
Gurl are thought would to
The where there just to please me ooo
You know i had my share
True player i did it again
I only wanted to do things my way baby

B-

Ooohh i got to get a chance with this
Ohhh first i feel so i can get with this
Ooohhh i can't believe she is as hot as this
Cuz i wonder if i guy would miss

Chourse.

What would it be like if i was with you gurl
What would it feel like if we there tonight and kissed in
the tank baby
And what would it be like if you was in the world if you
was my babe gurl

That someone lady what would it be like

Vers2.

I never felt like this
Hony's got me gonna trip cuz
I'm falling like i need someone to be with you
She rides them pretty eyes
She wears them skirt so ride
She spotted up tonight she making me so hot

B-

Chourse.

Here come take a ride babe and maybe tonight will be
the night
The night where you and i (you will never find out) will be
together

Chourse.

What would it be like if i had you by my side yeah yeah
What would it be like if i had sometime with you tonight
What would it be like can it be right
I would like to know ohh ooo
What would it be like if i had you be my side ohhh yeah
What would it be like if i had sometime with you tonight...
