From high in the sky  
Through the clouds and rain  
Every familiar field  
Seems like an old friend  
When every hand that you shake  
Is like a warm embrace  
Could only be one sweet place  
Home and the Heartland  
Sing out your songs and  
Ring out your stories and rhymes  
Weave from your dreams those mystical  
Dances that lead us to bind in heart and mind  
As we circle the world  
With our wandering airs  
Gathering here and there  
Leaving behind our share  
Like the leaves in the wind  
They are blown along  
Each melody rising from  
Home and the Heartland
