When the sun rose this morning, I didn't have my baby
by my side.
When the sun rose this morning, I didn't have my baby
by my side.
I don't know where she was, I know she's out with some
another guy.

Don't the sun look lonesome shading down behind the
trees?
Don't the sun look lonesome shading down behind the
trees?
But don't your house look lonesome when your baby's
packed to leave.

Blow wind, blow wind, blow my baby back to me.
Blow wind, blow wind, blow my baby back to me.
Well you know if I don't soon find them, I will be in
misery.

Goodbye baby, that is all I have left to say.
Goodbye baby, that is all I have left to say.
But you have lost your good thing, go ahead and have
your own way.
