You ain't nothing but a hound dog
Been snoopin' round my door
You ain't nothing but a hound dog
Been snoopin' round my door
You can wag your tail
But I ain't gonna feed you no more

You told me you was high class
I could see through that
You told me you was high class
I could see through that
And baby I know
You ain't no real cool cat

First Verse

You made me feel so blue
You made me weep and moan
You made me feel so blue
You made me weep and moan
'Cause I'm looking for a woman
All your lookin' for is a home
