I've got a kind hearted woman, she studies evil all the time.

I've got a kind hearted woman, she studies evil all the time.

You would do to quit me just to have it on your mind.

I've got a kind hearted woman, do anything in this world for me.

I've got a kind hearted woman, do anything in this world for me.

But these evil hearted women, Lord, and they will not let me be.

Now it ain't but one thing makes Mr. Clapton drink.

I swear about how you treat me baby, I begin to think.

Oh baby, my life don't feel the same.

It breaks my heart when you call Mr. So-and-So's name.

She's a kind hearted woman, she studies evil all the time.

She's a kind hearted woman, she studies evil all the time.

You're best to quit me baby as just to have it on your mind.
