I'm sorry baby, but I can't afford to stay.  
Your good, kind treatment will worry me someday.  
I love you baby, but I'm gonna have to say goodbye.  
Woman, I got to move, I really got to fly.

Same thing every morning,  
Tell me what's it all about.  
I get those same old blues every night.

I miss you already, baby, more than words can say.  
Seems like I've been gone twenty-four hours, more like  
a million days.  
I love you baby, you know I wouldn't tell you no lies.  
If you don't believe I love you, look at the tears  
standing in my eyes.

Chorus

Here I am back home, baby, I'm back home to stay.  
I love you babe, never more will I go away.  
I won't hurt you no more, baby, ain't gonna tell you no  
more lies.  
No more running 'round, no more phony alibis.
