The sky is crying, look at the tears rolling down the streets.

The sky is crying, look at the tears rolling down the streets.

I looked out my window, the rain was falling down in sheets.

My baby left me this morning, Lord knows I don't know the reason why.

My baby left me this morning, I don't know the reason why.

And everytime I think about it, I hang my head and cry.

The sun is shining, although it's raining in my heart.

The sun is shining, although it's raining in my heart.

I love my baby, I hate to see us part.
