1 2 3 4 5 6 7 8 9....10

Doo Wop:

Yo Yo I been in this game for years to be exact eight

Theres steps that you gotta take to make a phat tape

It's a tape master booklet so you could get

Your shit on blast not flipped in the trash

Rule nombre uno (Number one) When you start a intro

Never try to rhyme if you don't know how to flow

Cuz like a showtime crowd at the Apollo

If you doo doo they'll boo you and say you gotta go

Number two I mean this sincerely

Even if you scream nigga try to speak clearly

With clarity take it from yo majesty

If it sounds like you mumbling then don't shout a

motherfucking thing

Number three never give nobody from yo clique to yo

posse

No copy of the master it'll be disaster

Cuz them bastards will put it out a little faster

Number four know ya heard this before

Keep ya name alive if you wanna survive

Number five never leave no shit with ya girl

Cuz yo bitch will give yo shit free to the whole world

Number six that goddamn credit dead it

Ya think them ???? kids payin ya back shit forget it

Seven l'mma stay on the same topic make no comment

if they don't payup

Just send ya crew and them back to shake up

With aluminum bats to break up and bring back ya

paper

Number eight never keep no tapes on you
Or cd's cuz niggas always want something for free
Number nine shoulda been number one to me
If ya start gettin wack kid start makin beats
If niggas think ya slippin they aint tryin to listen
They be sittin in they Expe-dition steady dissin
Number ten a strong word called cre-ating
Like the opposite of imitating
95 percent of these niggas faking
Thats why the other five is considered tape kings
Follow these rules you'll have mad bread to break up
If not 24 hours till we face up
Let you try to hook your tape up before the shake up
Fuck around I'll have you taped up in Jamaica
Smash ya 1200's watch ya wheels break up
Fuck around and get you laced before you pass
Heard ya girl hooked a better tape up
Gotta go gotta go more tapes to bake up
Word up ha
Yo Tape King Doo Wizza
Doo Wop
For my man Biggie Smalls and ya don't stop
